WHY COUPLES CHOOSE DJ OTB

EVERY GENERATION, ONE DANCE FLOOR

Open-format mastery across soul, funk, hip-hop, R&B, Afrobeats, Amapiano, Afro House, Dancehall, Reggae, house and EDM — so grandparents, parents and friends all get their moment.

SEAMLESS DJ & MC HOSTING

Confident, warm microphone work that keeps your day flowing — from the grand entrance to the last dance — without ever stealing the spotlight.

TAILORED TO YOUR LOVE STORY

A personal planning consultation, must-play and do-not-play lists, and a set built around the two of you — never a copy-paste playlist.

PROFESSIONAL & INSURED

Pro member of the National Association of DJs UK, £10,000,000 public liability cover, PAT-tested professional sound and lighting, and backup equipment as standard.

“

She really engaged the crowd and was attentive to all my needs. The choice of music was on point and she involved all my guests. She kept the wedding flowing and we had a great time because of her.
